Dear Friend of the Hancock County Community Foundation,

While we would never attend a Broadway musical without a ticket or take a trip without luggage, most Americans have not taken the time to plan for their future. We simply never get around to doing it. The result is disappointing. When we fail to plan, our dreams, wishes and hopes may never be fully realized. Unfortunately, this also means our family and beneficiaries experience the expense and frustration of estate administration. A few months of probate can destroy what it took a lifetime to create. Don't let this happen to you or your family. No matter the size of your estate, everyone needs a plan for the future.

The Hancock County Community Foundation* is pleased to provide this useful Guide to Planning Your Will and Trust. This tool will help you organize information about your family, estate, and goals that can then be provided to your attorney for developing your plan.

Best wishes as you begin your journey.

Yours in philanthropy,

Mary Gibble, President

1. Submit your will to the probate court
2. Locate your heirs
3. Determine your estate assets and values
4. Pay bills and the estate attorney
5. Make debt payments
6. Resolve any estate controversies
7. File your income and estate tax returns

Another popular option for the estate of a surviving spouse is to divide the second estate into two parts. The first portion of the estate is given to the children when you pass away. The other part is transferred to a "Give It Twice" Trust. This is a charitable remainder unitrust that pays 5% each year to children for 20 years (5% times 20 years equals 100% — or you may select 6% for 18 years). After paying income to children for 20 years, the trust corpus is given to favorite charities. If you select this option, please choose the portion outright and the part in the "Give It Twice" Trust (the total of the two percentages will equal 100%).
