The Hancock County Community Foundation (HCCF) recently awarded Hancock County Senior Services (HCSS) a \$1,000 grant from the Enrichment Endowment Fund, an unrestricted component fund of HCCF, to purchase tires for two of the wheelchair accessible vehicles in their fleet.

HCSS' mission is to advocate for and address the life challenges of the Hancock County senior population and to provide public transportation to people of all ages in an effort to achieve the highest quality of life

possible. The transportation portion of the mission is accomplished through its operation of Hancock Area Rural Transit (HART) under the legal entity of HCSS.

HCCF works with caring individuals, families, and organizations to create or grow existing permanent funds called endowments. These funds generate income that is distributed in the form of grants and scholarships to enrich and enhance life in Hancock County, as well as support the donor's favorite charitable causes, both at home and afar forever. HCCF has granted over \$12 million since its inception in 1992.
