

## Nonprofit Survey: COVID-19 Impact

Thank you for your responses to our survey last month. They helped us make informed grantmaking decisions as we responded to the immediate impact of COVID-19 in Hancock County. To-date, we have granted \$27,000 from [Heart for Hancock: A Community Relief Fund](#) to support nonprofit services in the areas of food insecurity, child and senior welfare, and rent/utility/medical assistance. Learn more about our grants [here](#).

We are asking for your time to complete a survey again to help guide our continued grantmaking from Heart for Hancock. There are new questions, but several of the questions will look familiar from last month's survey; please provide any updates from the last 30 days as you answer those questions. If you would like to reference your responses from the previous survey, please email Katie Ottinger ([kottinger@giveHCgrowHC.org](mailto:kottinger@giveHCgrowHC.org)) to request a copy. Please complete this survey by **Thursday, April 30**.

**Note:** Please complete this survey based on your Hancock County services ONLY. Please only submit one survey per organization.

**Note:** This survey is NOT a grant application. At this time, HCCF is using information gathered about community needs related to COVID-19 to make proactive grants.

We anticipate sending another survey in two months to track how needs change.

## Hello Hancock

Check community calendar before rescheduling postponed events!

We know many of you are being forced to postpone and reschedule events that were to happen during the first half of this year. Consequently, we are anticipating the second half of the year to be extremely busy with events. Please remember to check the Hello Hancock community calendar prior to rescheduling your event(s) to ensure you are not competing with others. When you do reschedule, please make the change in Hello Hancock as well.

## Boy Scouts Offer Volunteer Service to Hancock County Nonprofits

BOY SCOUTS  
OF AMERICA®

The Boy Scouts of America have Packs and Troops at every public school in Hancock County. Their Scouting community ages from 6-18, and both Cub Scout Packs (6-12) and Scouts BSA Troops (12-18) are always looking for opportunities to **volunteer** with service projects.

Additionally, they have an Exploring program that focuses on career exploration opportunities where businesses host 5-10 youth aged 14-21 for once a month guided internships/q+a sessions/project opportunities. They're always looking for more organizations to participate.

If you're interested in working with Boy Scout volunteers or participating in the Exploring program, please contact David Elser at [dels@scouting.org](mailto:dels@scouting.org) or 317-695-4184.
