

PPE Marketplace Available to Support Hoosier Nonprofits

As many Hoosier small businesses prepare to **reopen their doors to the public**, the state is offering a **new online marketplace** to help provide access to the personal protective equipment (PPE) small businesses will need to comply with safe workplace guidelines.

The **Indiana Small Business PPE Marketplace** leverages PPE that is being manufactured and sourced by Indiana businesses to help support supplies.

All businesses and nonprofits are encouraged to acquire PPE on their own and use the marketplace as an alternate resource.

To be eligible to use the marketplace, a business must be required to use PPE as a condition of operating in order to comply with safe workplace requirements. This includes retailers, restaurants, office settings and personal services. They must also employ fewer than 150 associates and be a business or nonprofit organization registered with the Indiana Secretary of State to do business in Indiana.

Click here to visit the marketplace. An order form for PPE can be found at the bottom of that page.

Fundraising During Recessions

Weekly podcast for fundraisers

The Fund Raising School at the Indiana University Lilly Family School of Philanthropy's First Day Podcast highlights current news and research. This weekly podcast provides fundraisers with the latest information in fundraising and philanthropy.

Listen to the 15-minute episode where Dr. Patrick Rooney discusses "Fundraising During Recessions" **here**.

Duke Energy Foundation Grants

Powerful Communities: Nature

The Duke Energy Foundation is committed to investing resources and working alongside community partners to ensure future generations enjoy the immeasurable benefits of the nature around us.

These grants support:

- Water quality, quantity, conservation, and access.
- Habitat and forest restoration and conservation.
- Species conservation.

501(c)3 organizations serving Hancock County are eligible to apply. **Click here** for additional details. **Click here** to access the application.

The Duke Energy Foundation also accepts applications year-round for \$10,000 or under for local impact. [Click here](#) for additional details.

Hello Hancock

Check community calendar before rescheduling postponed events!

We know many of you are being forced to postpone and reschedule events that were to happen during the first half of this year. Consequently, we are anticipating the second half of the year to be extremely busy with events. Please remember to check the Hello Hancock community calendar prior to rescheduling your event(s) to ensure you are not competing with others. When you do reschedule, please make the change in Hello Hancock as well.

Access the Hello Hancock community calendar [here](#). Contact Katie Ottinger with any questions at kottinger@giveHCgrowHC.org.

COVID-19 Resources for Nonprofits

Available to help nonprofits and your clients through this crisis

Community Resources

The Greenfield Daily Reporter, with the help of community partners, has compiled a guide of helpful resources to assist those impacted by the restrictions brought on by the efforts to reduce exposure to COVID-19. This guide will be updated periodically. If you have updates or new entries to include, you may contact the Daily Reporter's Shelley Swift at dr-editorial@greenfieldreporter.com.

[ACCESS THE RESOURCE GUIDE HERE](#)

Nonprofit Resources

HCCF is compiling resources for nonprofits to reference during this crisis. We will update frequently with webinar opportunities, funding opportunities, and general resources.
